Before the paragraph starting at page 1, line 9, please insert the following heading:

- - Description of the Related Art - -

Before the paragraph starting at page 2, line 21, please insert the following heading:

- - SUMMARY OF THE INVENTION - -

Please amend the paragraph starting at page 2, line 26, as follows:

The object is achieved by a pharmaceutical preparation ~~according to Claim 1~~
containing at least one of an at least partially charged active substance,
wherein the active substance is present in the form of a nanosol in which the
active substance is bonded to an oppositely charged chitosan derivative.

Before the paragraph starting at page 2, line 28, please insert the following heading:

- - DETAILED DESCRIPTION - -

Please amend the paragraph starting at page 3, line 1, as follows:

The preparation of the present invention contains ~~according to Claim 1~~ at least one pharmaceutically active substance, which is at least partially present in a charged state, i.e., the active substance is capable of forming an ionic state and at least part of the active substance molecules are present in that ionic state.
